Lions Carnival and Country Fair Will Open Wednesday

Annual Event Will Be Open Five Days; Free Acts

The Antioch Lions Club annual carnival and country fair will open its gates on Wednesday, August 1, and will continue through Sunday evening. The carnival, which is an annual affair, will provide money for the work of the Lions club, which supports all civic bodies, including the Scout Home, the Rescue Squad and many others.

Main attraction among the entertainment at the carnival will be the daily appearance of Miss Kayletta, billed as the "beauty from the golden west" an aerial performer of wide renown. Publicity material received from the booking agent of this attraction notes: "This comely young daredevil will amaze you with a variety of thrill stunts that call for unusual body strength, extreme skill and high courage. A breath-taking demonstration of ultra-hazardous stunts performed with ease and grace of artistic perfection. Climaxing this daring performance Miss Kayletta presents her 'Strobolite Fantasy' while looping the loop on a revolving ladder. An appealing personality and easy showmanship, make this act extremely attractive."

Miss Kayletta's entire act is performed from a rigging which extends more than 75 feet above the ground, and will provide many thrills for both young and old.

In addition to the free acts, many other attractions, well calculated to please both young and old will be provided for, and not the least of these will be six rides and other amusements.

Lions club members are preparing to man the carnival for the five days, and plan to make this one of the most outstanding ever sponsored here.

Rescue Squad Has Very Busy Week

The Antioch Rescue Squad was kept busy during the week with several accident cases and one heart attack.

On Sunday evening at about seven o'clock p.m., the squad was called to Grass Lake road to give first aid to an aged woman who had suffered a heart attack. She was taken to a Waukegan hospital for treatment.

A collision between a small motor bike and an automobile at the intersection of Lake Marie Road and Route 21 was responsible for a call at 9:30 p.m. Monday evening. The motor bike was ridden by Rudolph Selak, of Beach Grove road and was without lights at the time it was struck by a car driven by Roy T. Hyre, Channel Lake. Mr. Hyre was going south and it is believed that the motor bike had turned into route 21 from Beach Grove road. The boy suffered a bad cut on the head and other bruises and lacerations, none of which are believed to be serious.

He was taken to Victory Memorial hospital, Waukegan, after first aid by squad members. He is still in the hospital, but recovering nicely. Mr. Hyre is well-known here, having been the contractor on putting in Antioch's new street lighting system, and long a resident of Channel Lake.

A call Monday, from the sheriff's office, took squad members to Round Lake, where it is believed that a 5-year-old boy had been drowned. After their arrival the squad took no action, since a number of boats were already dragging the lake, and there is no certainty that the boy had drowned.

Don Cardiff was treated for a fractured left elbow Wednesday evening at about 7:45. Don, 15-year-old son of Mr. and Mrs. Harold Cardiff, of North Main street, suffered the injury when he stumbled while playing baseball on the lawn at his home.

Hybarger Decree Final

A divorce action in Fort Meyers, Florida, resulted in a divorce decree on July 21st, to Mrs. Lester Hybarger. Mrs. Hybarger was awarded use of a former name, Evelyn Houser. Mr. Hybarger had formerly started a divorce action against Mrs. Hybarger, but this case was thrown out of court. Mrs. Houser's decree became final on July 21, 1951.

Mr. and Mrs. Harold Johnson of Rockford and Mrs. Birdelle Schwery of Trevor, spent last Wednesday with Mrs. Mollie Somerville.

Channel Lake Community To Have Carnival July 28

The Channel Lake Community Club will hold its summer carnival Saturday, July 28 from 2 p.m. until night, at the Channel Lake school grounds, with no admission charged.

Entertainment will comprise of pony rides, fortune telling, dart games and food booths. The local boy scouts, cub scouts and 4-H club will display their handiwork, and will operate the booth featuring the games and rides.

The Channel Lake Community Club is dedicated to the service of the community. It sponsors local Boy Scouts Troup No. 88 and the Cub scouts and has just completed an athletic field for the use of the Channel Lake residents.

This is the Clubs first attempt at sponsoring a project of this type and will appreciate your attendance and support.

High School Addition Remains at Standstill

Meeting Monday Eve Shows Steel Shortage Is Blamed

Construction work on the new addition at Antioch Township high school remains at a standstill, due to steel for the building not having been delivered. The portion of the new building now under construction would house the shop courses, and since the school officials were assured that the building would be complete in time for the next school year, many shop classes were scheduled to take advantage of the new facility.

Principal R. C. Edmundson said today that he had given up hope that the shops would be ready for occupancy by the beginning of the school year, but that he hoped that it would be ready by October 1st. He added that the academic part of the shop courses could be made to use up about a month of the first semester, and that the practical work could be done after the building was ready.

At meeting Monday evening of the High School board, the architect, and the contractor, showed that unless the steel is on hand within a week, that the deadline can not be met. The board was given a promise that the steel would be forthcoming "soon."

Other action of the board at the meeting consisted of the engagement of Robert Hunt to take over a part time job of driving a school bus. A meeting of the board Friday, July 27, will see the end of the engagement of all personnel for the school during the next year. Seven applicants have indicated that they would be interested in a full-time custodian's job, and all applicants will be interviewed Friday evening. Two applications for the high school librarians job have been received and it is likely that a selection will be made.

State Police Take To The Air; Are To Have 3 Planes

Illinois State Police has added another modern weapon—a radio equipped airplane—to aid them in their fight against crime and in their continuous effort to improve safety on public highways. The new facility is part of the program to increase efficiency of the force under the non-political merit system.

Chief Thomas J. O'Donnell, superintendent of the state police, and Joseph K. McLaughlin, director of the state Department of Aeronautics, officially inaugurated the air-to-ground contact service in ceremonies at Capital airport. The cabin plane, a Cessna, operated by the Department of Aeronautics, is the first of three to be equipped with radio transmitters and receivers of the same type used in the state police squad cars.

The decision to utilize the airplane as a regular member of the state police team was approved by Governor Stevenson on recommendation of O'Donnell, McLaughlin, and Michael F. Seyritz, director of the Department of Public Safety. This followed three weeks of experimental use of the aircraft during which time the feasibility of the plan was established. The report on the tests cited three specific cases in which the aircraft and squad cars co-operated successfully.

Mr. and Mrs. Charles Webb of Youngstown, Ohio, and Miss Iva Baldwin of Elgin, were guests of Mr. and Mrs. Frank Runyard Monday afternoon at their Channel Lake home.

Western Tire & Auto Store Grand Opening Set for Fri., Sat.

Lemke Announces Opening, New Business Place On Lake St.

Antioch's latest new place of business, a Western Tire and Auto Store, will open its doors on Friday of this week. The new store is located in the west room of the Post Office building. A grand opening will be held on Friday, Saturday and Monday with the store being open from 9 to 6 Friday and Monday and 9 a.m. to 9 p.m. on Friday.

Free souvenirs will be distributed to the first 2500 persons who visit the new store and several valuable prizes will be awarded. It is not necessary to make a purchase to be eligible for the prizes and management of the store invites all residents of the community to visit the store to get acquainted with the personnel and merchandise which will be on display.

Wm. Lemke, well-known throughout the lakes region is owner of the new store. Mr. Lemke has been owner of the Lakes theatre, Antioch, for the past eleven years and also the new Holiday theatre in Round Lake. Frank Kennedy, Jr., Main Street, Antioch, will act as manager of the new store. Kennedy has had extensive experience in both the automotive field and general merchandising.

Lemke, who resides on Windsor Drive with his wife, Edna, and their three children, Maxine, 8; Cheryl, 7; and Nancy, 4, states that the store will stock more than 4000 items, among them being repair parts for most automobiles, accessories, seat covers, tires, tube, batteries, as well as some sporting goods and fishing tackle.

The Western Tire and Auto Store is entirely home-owned Lemke said, and is not in any sense of the term a chain store. The Western Tire and Auto Store organization is a joint purchasing organization which allows mass purchasing in order to bring prices to a lower level, and the organization also handles advertising and other matters pertinent to all the stores in the group.

Egg-Laying Derby To Start Saturday At Antioch Mfg. Co.

Saturday will be "Derby Day" at the Antioch Milling Co., George Wagner, manager, announced this week.

"Next Saturday, we are placing six White Rock pullets in a special pen in the store," he said. "Each pullet will have a wing-band number. The idea behind this Pullet Derby is to see which will lay the first egg. The pullets are 16 weeks old as the Derby begins."

During the Derby, visitors may enter the contest by selecting a winner and naming the approximate date she lays that egg. Entry blanks will be available during the entire Derby and many prizes will be offered for the best poultry judging.

First prize is an electric clock, second prize a bun warmer, third prize a pair of kitchen shears. In addition to these major prizes, the first 20 adults to try to "pick a winner" will be given handy pocket memos.

While the race is on, each pullet will be fed identical ration—Purina Growers, with formula "1028" added.

Camp Cutten Will Furnish Farm Help

Camp Cutten, a Y. M. C. A., summer camp located at Lake Villa has instituted a novel, and helpful service to farmers of the area in that older boys who are interested in farming and made available for extra work on farms.

The boys, who range in age from 15 to 18 years, are transported to the farms for a days work in haying or like jobs where the farmers need extra help for a day or two, and are paid according to the kind and amount of work done. The farm owner is expected to help point out methods and some of the problems of farming and how they are to be solved.

This is a new type of camping at Camp Cutten and it is felt that the experience is well worth while for the older boys, some of whom have been able to earn their camp fees, and at the same time gain valuable experience in farming. Any farmer who is interested in obtaining help of this sort may call the Camp Director, Clyde Bailey, at Lake Villa 6-2371.

Rep. Pearson Reports On Progress at Last Session of the House

Representative Harvey Pearson, Republican member of the State House of Representatives from the Eighth district, sends the following report and comment on activities of the house at the last session. Believing that residents of the district should have information as to what representatives of the people in our state government are doing, Pearson has written the following report for the publication in the News:

"The recently closed session of the Illinois General Assembly produced a good share of legislation especially helpful to us in the Eighth District.

Early in the session, for example, we were able to add one circuit judge for the counties in our district plus Winnebago, and that is already proving a help in cleaning up crowded court dockets.

We also put through a series of measures to license and regulate trailer camps, a move that was vitally needed as we can see in this part of the state where so many permanent camps have sprung up. Those bills are still awaiting the governor's approval.

So is a bill of Senator Paddock's which I handed in the house to allow Zion's clerk and auditor to continue to function for the township as well.

Already approved are these bills, of which I was sponsor: One allowing establishment of a Harvard hospital.

A grant of state land to Fox Lake to be developed into a lake-shore park.

A bill changing the population basis for election of county supervisors that forestalls a big increase in the size of Lake county's board.

A reduction from 18 days to 13 in the period by which workers must receive their semi-monthly paychecks—a bill aimed at cutting the lag in railroad workers' pay.

The governor has also approved our revisions in the laws covering workmen's compensation and unemployment compensation, which we think will mean an improvement in these fields.

In addition, all of us will benefit from improvements in the school laws and the increased appropriation for the state equalization payments to school districts.

Another major step forward is the law allowing local taxing districts to set their own rates, with voters' approval, rather than having a fixed formula for the whole state.

In all, I think you will agree it was a legislative session of some real accomplishments."

Margaret E. Stanton, 48 Dies After Short Illness

Margaret E. Stanton, 48, of Ingleside, passed away Thursday, July 19, at 10:45 a.m. at St. Theresa hospital, following a brief illness.

She was born in Grant Township June 17, 1903, where she spent her entire life. She was a member of St. Bede's church at Fox Lake.

Survivors include her husband Charles (Art), two sons, John Ralph, a student at DeKalb University and Charles Lane of Ingleside, her mother Mrs. Mary Lane, one brother Frank Lane and sister Mrs. Bernice Masche of Ingleside. Her father John E. Lane preceded her in death.

Funeral services were held at 10 a.m. at St. Bede's church. Interment was in St. Bede's cemetery.

Sox Lead Little League Baseball With No Losses

Yanks and Cubs Finish The Season With 2 Wins; 3 Losses

Antioch's little league baseball program proceeds apace, with two of the six teams having already finished the league season. The Yanks and the Cubs have each played the allotted five games and each has had two wins and three losses giving them a .400 standing. The Sox team still leads the league with two wins and no losses, they are followed by the Giants with two wins and one loss in second place, the Dodgers, batting .500 with one win and one loss, in third place, followed by the Yanks, Cubs and the Tigers respectively. The standings at present and, with the exception of the two teams which have finished the schedule, any one of the teams may win the coveted pennant, or a three or even a four-way tie could result.

The game last Wednesday, July 18, between the Tigers and Yanks was taken by the Yanks in the last inning when a rally netted four runs. Faust, pitching for the Tigers allowed the Yanks three runs in the five innings, he was on the mound for the Tigers, and was re-

More Than 700 4-H Members To Exhibit At County Show

When the 23rd Lake County Fair and 4-H Club show opens at Waukegan on Thursday, August 2nd, more than 700 Lake County 4-H members will hold the spotlight with their hundreds of entries.

The 1951 4-H Club Show promises to be bigger than ever. With an increase in enrollments this year, and a strong desire for a one hundred percent completion among the different clubs, the 4-H Club Show will be one of the highlights of the County Fair.

The club member's exhibits will include everything from flowers to beef cattle, and cookies to clothing. Visitors to the fair will see young rural America at its best. They will see these youngsters busily engaged in putting on the final finishing touches on their sheep, pigs, beef, and dairy cattle. They will see these 4-H'ers parading their livestock before the scrutinizing eyes of the judges. They will thrill with the club members as the judges award the blue ribbons.

The Lake County Fair and 4-H Club Show offers the people of Lake County an opportunity to see assembled in one place the greatest array of fine livestock, the best that the hands of the homemaker can produce, the finest handiwork of the hobbyist.

Huge Fireworks Display At County Fair

One of the greatest fireworks displays ever held in Lake County will be staged at the Lake County Fair Thursday, Friday, and Saturday evening, August 2, 3, and 4. The 23rd Annual Lake County Fair opens at Waukegan on Thursday, August 2nd and continues through Sunday night, August 5th.

The directors of the fair have spared no expense in bringing fair visitors one of the greatest of pyrotechnic displays. Every display piece will be arranged and set off by experts to achieve the greatest possible effect.

Rescue Squad Fund Drive Scheduled To Begin on August 1

Annual Drive For Funds To Benefit Building Now

The annual drive for funds handled by a special committee of the Antioch Lions club for the past several years, will begin on August 1, according to Loren Sexauer, chairman of the Lions committee.

The drive will be of slightly different nature this year, since the money obtained will be placed in the building fund instead of being split between operational funds and the building fund.

Letters, which will be in the mail early next week, explain to residents the necessity of building a home for the squad at this time and also explains that sufficient money for the operation of the squad is presently on hand, so that the money raised this year can safely be placed in the building fund without endangering the operation of the squad for the coming year.

A site for the new building is to be provided by the village, and it is believed that a part of the village land near the fire station will be utilized for this purpose. At present the squad is using the village hall building to house its trucks, but for several reasons this is not satisfactory.

Although plans for the building are in the tentative stage, they will provide for a squad room, where meetings can be held, and also a first-aid room where patients can be treated, as well as sufficient room for the trucks and other equipment of the squad.

Sexauer, as head of the drive committee, asks that every resident of the community served by the squad, give as much as is within their means, and stressed the fact that if the excellent work of the squad is to become progressively better, a suitable building must be furnished the men who are on call "24 hours a day—365 days a year" to give first aid and assistance to those who need it.

V. F. W. Baseball Team Beats Silver Lake Last Sunday

The V. F. W. baseball team, trailing in 5th place in the league, took heart last Sunday when they snowed the strong Silver Lake team under to the tune of 6 to 1. The Lakers are currently in 2nd place in league standings with good chances of topping the competition.

The long silent bats of the locals spoke with a vengeance last Sunday against the hurling of "Fireball" Chink Faber, when hometown boys collected 14 hits. With one exception, every man on the squad connected for a hit, and six men had two hits each. Only hard smash laddered out was by Dick Scott, when he batted a long triple to left field.

Ed. Olsen, was a bright star in the defensive play, but with fine support in the field with the revised line-up. He allowed but one hit in the first six innings of play, but the Silver Lakers finally got to him in the seventh for three hits and again in the eighth for two hits. It is believed that the score would have resulted in a shutout, had it not been for an error.

In the outfield Dick and Ray Scott, teamed with Jack Pregoner, made an almost perfect record of catches of all chances, only one

(Continued on page 7)

Lions Club Challenged By Little League Club

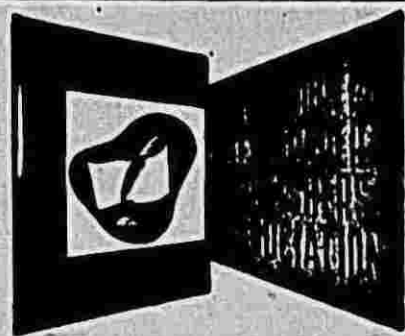

The Antioch Lions Club will soon receive formal challenge to a special baseball game by members of the Little League. Officials of the Little League say that they are ready to give a good trouncing to the Lions, but that they are sceptical as to whether or not the Lions will have the nerve to tackle the youngsters, and will come forth with some lame excuse to avoid the contest.

Bob Wilton, president of the Lions Club, and a baseball player of some note in years past, told your reporter that although the Lions might be a little creaky in the joints, that he believed that they could muster a team which would be able to give a good account of itself on the diamond, and that the Lions would accept the challenge.

"CEILINGS DON'T MEAN A THING"

A Wall Street Journal news story quotes an officer of a Midwest department store chain as saying, "Ceilings don't mean a thing." He went on to explain that observation in these words: "Most of the goods we sell are below ceiling. When you're trying to unload high inventories, you worry about prices that will bring in customers, not about ceilings you know you can't reach."

Many other retailers around the country, dealing in goods as varied as haberdashery and automobiles, expressed similar views. As Wall Street Journal summed it up, "By and large merchants report that the real control on prices consists of the lofty stacks of goods in warehouses and on store shelves."

This situation illustrates an all-important fact—and that is simply that maximum production and aggressive competition do more to put the brakes on inflation than any political controls which have occurred to the mind of man.

As a matter of fact, under certain circumstances controls can actually be inflationary. They can undermine competition—if everyone has to sell at the

same price, why should any merchant work his head off trying to do a better job than the competitor down the street? They create artificial scarcities and black markets. They burden all merchants with costly, time-consuming red tape. They make it harder for the small man to progress and grow. Anything which throws monkey wrenches into the workings of the supply-and-demand system of producing and selling goods must, in the long run, hurt all concerned—including the consumer.

TURN DEAF EARS

As usual, spokesmen for the Administration are protesting vehemently every time Congressional committees make cuts in the proposed budget. Some top officials squeal like tuck pigs at the most modest reductions in appropriation requests which were watered to the saturation point to begin with.

This is to be expected—nothing hurts a bureaucrat so much as to have his share of the take from the taxpayers shaved. But Congress will do the greatest possible service if it turns deaf ears to the "politics as usual" crowd and cuts this budget and all future budgets to the irreducible minimum.

It is frequently said, particularly in high Administration circles, that the country should get as nearly as possible on a pay-as-you-go basis, and that the proper way to do this is to sharply raise our taxes. Here is a particularly glaring example of putting the cart in front of the horse. The first step must be to get rid of every nickel of avoidable expense. Then, and only then, will it be the proper time to once more revise the tax laws.

The best authorities think the budget could be cut by as much as \$10,000,000,000. Regardless of the figure, it should be evident to all by this time that the effort to pile war spending on top of unlimited political spending, with no economy anywhere, can only result in more inflation, a still cheaper dollar, and more destruction of the savings of the people.

"Some Americans, stricken with fear, are willing to barter freedom for some small measure of safety and survival."—David Lawrence, Mayor of Pittsburgh.

evening guests were Mr. and Mrs. Alfrey Jerde and family, Mr. and Mrs. Lee Kulesza and family, Loon Lake.

WILMOT

Miss Esther Irene Ewing of Salem was the bride of Richard Dale Schmidt of Monroe, Wis. In a ceremony at 9:20 o'clock July 21, in St. Alphonsus church, New Munster.

The daughter of Mr. and Mrs. Sylvester Epping, Rt. 1, Salem, and the son of George L. Schmidt, Milwaukee, repeated vows to the Rev. J. J. Michels. Various shades of pink gladioli adorned the candle-lit altar.

The bride chose a redingote type of wedding gown. The strapless underdress was of white organdy over taffeta and the redingote was fashioned of organdy with bodice, peplum and long sleeves of embroidered organdy. A Crown of seed pearls and crystal beads held her elbow-length veil. Orchids, carnations and agapanthus made up her cascade bouquet. Sylvester Epping gave his daughter in marriage.

Miss Romayne Epping, sister of the bride was maid of honor, Beverly Drissel, cousin, was flower girl. David Ketterhagen, the brides nephew was ring bearer. Eugene Roberts, best man, and Don Schmidt and Claude Epping, ushers attended the bridegroom.

Dinner at Our Country and an afternoon reception at the Epping home following the ceremony.

Mr. and Mrs. Peter Van Slaughtern, Flavia Ehler, Herman Ehler spent Sunday afternoon at the home of Mr. and Mrs. Dean Ehler, Kenosha.

Mr. and Mrs. George Zarnstorff were guests of Mr. and Mrs. Frank Zarnstorff Sr.

Mr. and Mrs. Alfred Oetting and family, Mr. and Mrs. Frank Zarnstorff Sr., Bertha Harms, Mr. and Mrs. Herman Frank and family, Donald Wienke motored to Sturgeon Bay, Thursday to view the cherry orchards.

Mr. Eugene Frank and Charles

Barber of Burlington and Silver Lake visited John Frank of Wilmot Sunday.

Mr. and Mrs. Alfred Oetting, Mr. and Mrs. Frank Zarnstorff Sr., Wilmot, Carole and Linda were guests at the Clifford Shaal home Sunday evening. Linda remained for a short vacation.

Mr. and Mrs. Wm. Topel and Bobbie, Waukegan spent Sunday with Mr. and Mrs. Martin Jerde.

Mr. and Mrs. Paul Ganzlin spent Thursday afternoon with Mr. and Mrs. Oliver Mathews, Antioch.

Mr. and Mrs. Harvey Brown, Barbara, Elroy McRae, Mr. and Mrs. Floyd Gyger Jr. and Larry, attended the birthday party for Patty Brown, at Mr. and Mrs. Stanley Brown's, Msherry, Sunday evening.

Mr. and Mrs. Walter Frank spent Friday evening with Mr. and Mrs. Larry Baumbach, Kenosha.

Mr. and Mrs. Marlin Schnurr are attending the Wis-upper Mich., Florist convention for a few days.

Second Lt. John Schnurr is stationed at Ft. Benning, Ga.

Fifty-eight relatives attended the Mr. and Mrs. Anthony Sebens and family Kenosha, spent Wednesday at Rausch-Peterson home. Dr. Merlin Peterson spent the weekend with them.

Mr. and Mrs. Mike Sietz and Arlean attended the silver wedding anniversary of Mr. and Mrs. Wm. Schlitz, Paris, Sunday.

Pacey picnic at Washington Park

Milwaukee, Sunday. Mr. and Mrs. Ed Pacey, Papillion, Neb., Mrs. Orville Pacey, Lake Crystal, Minn., were here for the picnic.

Mrs. Lena Shottliff and daughters, Hazel and Florence, Mrs. Edna Madden, Rochton, spent Thursday with Nellie Shottliff.

Mr. and Mrs. Herman Frank, Mr. and Mrs. Marlin Schnurr attended the wedding reception of Esther Epping-Richard Schmidt at the Sylvester Epping home Saturday afternoon.

The McGuire's just completed a 740 mile tour through Wisconsin. They express great pride in the riches of the state, scenic spots, fine roads and uniform courtesy at all stopping places.

Mr. and Mrs. Arthur Wright, Sandra and Susan, Milwaukee, are spending a few days with Mr. and Mrs. George Higgins.

Word was received July 19, of the accidental death of Elmer Jerde, Albany, Oregon, brother of Martin Jerde.

Mr. and Mrs. Elmer Frank and family, spent Saturday evening with Mr. and Mrs. Martin Jerde, Friday

Mrs. Victor Hook entertained Mr. Hook's mother, Mrs. Minerva Hook of Waukegan, Mrs. and Mrs. Thomas Dawson of Deerfield and Mr. and Mrs. Everett Orvis of Lake Villa at dinner last Sunday in honor of Mrs. Hooks Birthday.

Mrs. Lulu Nelson was hostess last

Thursday afternoon at her home with her daughter Mrs. Carl Ekdahl at Monaville at a luncheon for the ladies of the Lake Villa Sewing Club.

Mrs. Vernon Sorenson of Waukegan spent last Thursday with her sister Mrs. Russell Brumfield.

The Lake Villa Volunteer Fire department will hold its annual Carnival at Lehmann park on Aug. 17-18 and 19, so plan to come and enjoy meeting friends.

Tax collector Everet Galger is busy collecting the taxes for L. V. Township at his office at his home every day.

Ervin (Barney) Barnstable and Lester Hamlin made a business trip to Chippewa Falls, Wis. last Saturday in the interests of the Fire department; and drove through the section of Saturday's flash flood in Wisconsin.

Leo Barnstable is a surgical patient at St. Therese hospital and is recovering nicely.

Mrs. Paul Avery Sr. and Mrs. Avery Jr. were Evanston callers last Saturday.

**This Studebaker truck is
a marvel of a gas saver!**

*Note how trim and sleek it is!
Its design is the secret of its thrift!*

Deflate your hauling costs—substantially!
Get a clean-lined, sturdy Studebaker truck.

The whole structure of a Studebaker is rugged with solid "muscle"—no burdensome excess "fat"—no costly squandering of gasoline.

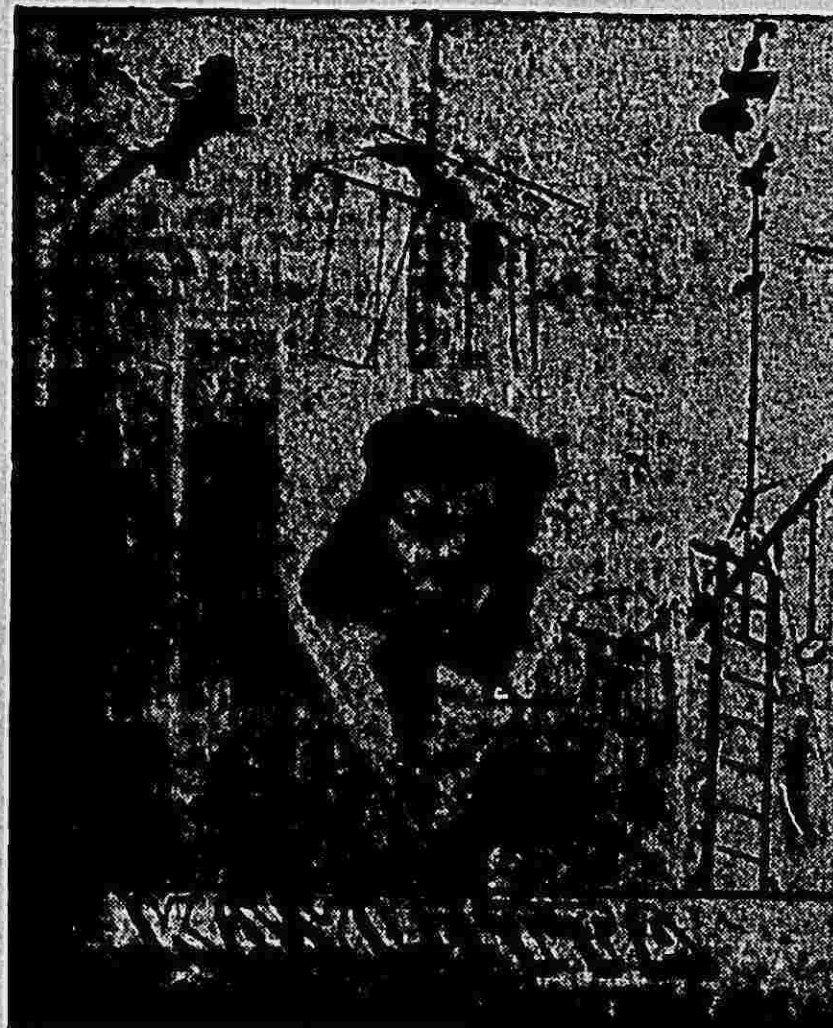

What's more, Studebaker's wear-resisting truck craftsmanship greatly reduces expenditures for repairs.

Take a tip from America's hundreds of thousands of Studebaker truck owners. Economize for keeps with a new Studebaker truck.

MILLBURN

Rev. L. H. Messersmith plans to be back from his vacation to conduct worship services for Millburn Home Sunday on July 29 at 11 o'clock. Mrs. George White of Hebron and Stanley Jack of Waukegan former residents of Millburn will sing. Pot luck dinner will be served in the church dining room after the morning service. Rolls, butter, coffee and dessert will be provided by the church. Come and bring your friends.

The Millburn Maidens 4-H club met at the home of Phyllis Lahey Tuesday afternoon. Demonstrations or "Summer Sunset Salad" and "Tuna Fish Salad" were given by Ann Schwicht and Phyllis Lahey respectively. Frances Kenimer gave a talk on "Care of the Hair." The next meeting will be held at the Stephens home.

The Couples Club met at the church Tuesday evening with Mr. and Mrs. Leslie Diedrich and Mr. and Mrs. James Foster in charge of games and refreshments.

Mr. and Mrs. Jerry Powers and family left Sunday morning for their home in San Diego, Cal. after several weeks visit with Mrs. Powers' father, W. B. McDonald.

Mrs. Earl Bauman and daughter Susan spent Wednesday with Miss Lenore Berg in Chicago. Miss Berg returned home with them for a few week's visit here.

Benjamin Blink and grandson Gene Blink of Highland, Indiana spent a few days with his sister, Mrs. J. Kaluf.

Rev. and Mrs. M. L. Frank and son Forrest and daughter Karen of Kokomo, Ind. were over night guests at the Gordon Bonner home Sunday, while en route to their summer cabin in Northern Minnesota for 6 weeks vacation. Rev. Frank was pastor of Millburn church 1939-1941.

Mr. and Mrs. William Heintz of Lansing, Ill. and Mr. and Mrs. W. A. Heintz and family of Munster, Ind. spent Sunday with Mrs. Heintz' sister, Mrs. J. Kaluf.

Mrs. Chalmers Wooley, Mrs. Milford Elsbury and Miss Norma Welch are spending one week at Tower Hill Camp, Sawyer, Mich. attending a "work-shop conference."

Sgt. Duane Weber of Scott Field, Ill. spent three days with his parents, Mr. and Mrs. C. P. Weber. The Clifford Weber family of Winthrop Harbor spent Sunday afternoon and evening with their parents.

Mac Johnson of West Virginia and Richard Martin of Evanston spent Sunday at the E. A. Martin home.

Mr. and Mrs. W. M. Bonner were dinner guests at the Roy Bonner home Sunday. David and Jane Bonner returned home to Elkhorn, Wis. with their grandparents for their vacation.

Mr. and Mrs. Robert Denman and

daughters spent Sunday evening at the F. C. Semsow home at Elm Grove, Wis.

Saturday afternoon Mrs. Emmet King and Mrs. W. F. Wetzel of Millburn Unit of Home Bureau called on Peter Peterson, World War Veteran, who is in the T. B. ward at Veteran's Hospital at Downey.

Mr. and Mrs. Ernest Wells entertained about thirty relatives of the Patch family at a picnic dinner at their home Sunday. Mr. and Mrs. Asa Patch of Sweet Home, Oregon, who have been here for 2 weeks, left Tuesday evening by plane for their home.

Millburn unit of Home Bureau held a picnic in Pat Murphy's picnic grounds at Little Sand Lake Friday. Mr. and Mrs. Herbert Messner

and family spent Wednesday afternoon with relatives in Chicago.

Mr. and Mrs. J. Kaluf and Mr. and Mrs. Frank Edwards spent Wednesday evening at the John Edwards home in Libertyville in honor of Ronnie Edwards' 8th birthday.

Mrs. Tom Harness, who has been

a surgical patient at Billings Hospital, Chicago, expects to return home this week.

The Ladies Aid Society will hold a bakery sale at E. A. Martin's store on August 4th.

Mrs. Charles Holdridge, Mrs. Ed Thiele and Mrs. Robert Bohm and

daughters, Kathleen and Carol of Holdridge Road, Waukegan spent Wednesday afternoon calling at the Eric Anderson, Milton Bauman and Howard Bonner homes.

Ruth Ann Haisma and Jeanette Choje returned Saturday from 4-H

camp at Camp Shaw-wau-na-see near Kankakee.

Mr. and Mrs. Alfred Beck and family of Waukegan were supper guests at the Carl Hapke home Sunday. Alfred Jr. is spending a week's vacation at the Hapke home.

How much of
"TOMORROW"
would you like

TODAY?

1 180 HORSEPOWER... here today, not "coming sometime!" Chrysler FirePower owners today have the most powerful engine ever put in an American passenger car... and enjoy incomparable performance on non-premium grade fuel besides!

2 HYDRAGUIDE POWER STEERING... now for the first time in any American passenger car! Automatic hydraulic power now gives steering ease, safety and car control under all conditions such as you never felt before!

CHRYSLER
finest engineered cars in the world

3 POWER BRAKING... not "in the laboratory stage" but under your toe right now! Regular equipment on all Chrysler New Yorkers, Imperials, and extra-wheelbase Windsor models. Power braking assures smoother, safer braking.

4 HEMISPHERICAL COMBUSTION CHAMBERS... On the left you see the Chrysler engineering reason why no engine in any other American passenger car today can match FirePower's fuel efficiency or its 180 horsepower performance... Plus new Oriflow Ride Control... Waterproof Ignition... Safety Rim Wheels... Cyclebond Brake Linings... Ignition Key Starting... Come see and feel for yourself how much that other cars may have "some day," you can have now in Chrysler! See it and drive it.

SOCIETY EVENTS

Carl Geng Completes Basic Training At Fort Meade July 21

Pvt. Carl T. Geng, 21, son of Mr. and Mrs. Carl Geng, Route 1, Lake Villa, Ill., today completed basic training at the Medical Replacement Training Field Service Center at Fort Meade, Md. He has been assigned to the Medical Field School, Fort Sam Houston, Tex., for the Dental Laboratory Technician Course.

The first six weeks covered basic military training necessary for all soldiers and included qualification firing with the carbine. The last eight weeks were spent in individual training and fundamental subjects of the Army Medical Service including emergency medical treatment, evacuation of casualties, military sanitation and disease prevention.

WOMEN OF MOOSE HOLD INITIATION

Women of the Moose Chapter No. 735 will hold a meeting this evening at the Moose hall. Mrs. Dorothy Kennedy and Miss. Elizabeth Jane Meyers will be initiated into the order. A musical program will be presented by Florence Dexter, who will play the guitar, piano solos by Mrs. Evelyn Schroeder and accordion selections by Paul Schroeder. Luncheon will be served by Desdames Gertrude Good, Shirley Metcalf, Ruth Hallway and Rendall. The next meeting of the Chapter will be August 2.

LUBKEMAN'S PLAN TO LEAVE FOR EUROPE SEPT. 14

Mrs. Henry Lubkeman, was hostess at a birthday party and family dinner at her home at Channel Lake Sunday, in honor of Mr. Lubkeman and her grand daughter Susan Ann's birthday anniversaries. Dinner was served to thirty-one guests at 5 o'clock. The Lubkeman's plan to leave for Europe September 14, while over there they plan to visit Switzerland, Austria, Germany and many other place of interest. They will visit Mrs. Lubkeman's family at Westfall, and Mr. Lubkeman's home at Hanover, Germany.

TO HOLD RUMMAGE SALE AT CROSS LAKE

Ladies of Cross Lake have planned to hold a rummage sale at the home of Mrs. M. Duben, Bernice street. There will be articles of clothing, furniture and household. Twenty-five percent of the proceeds will be donated to the Antioch Rescue Squad.

WOMEN'S CLUB CARD PARTY AUG. 16

The Antioch Women's club will hold a public card party at St. Peter's hall Thursday, August 16, Card table prizes. Refreshments.

Mary Ann Nielson daughter of Mr. and Mrs. Sigurd Nielsen, returned home Monday after spending the week end in Minneapolis, with the Zion Junior Band. The band took part in the Aquennial and was awarded first place in the special division. Also while there the members of the band experienced being in a hundred mile wind storm, the worst in the history of Minneapolis.

Mr. and Mrs. Robert Gaston, Mr. and Mrs. Wilson King, Miss Betty Gossel, Mrs. Marion Rigby, Harry Nelson and Calvin Harden attended South Pacific at the Shubert in Chicago this evening.

Pvt. Raymond Toft, recently completed his two months basic training at Aberdeen, Maryland. He has been transferred to Atlanta, Georgia, where he will attend mechanics school.

Mrs. Nathan Beiser and children and Mrs. Donald Greenie and daughter of Panama, Calif., who have been visiting in Round Lake were guests Tuesday of Mrs. Donald Rowden of Volo.

YOUTH FELLOWSHIP TO CRUISE ON LAKE GENEVA SUNDAY

Sunday evening a specially chartered boat will leave the dock at Lake Geneva with the members of the Methodist Youth Fellowship in Antioch. The cruise will take the young people around the lake. The members of the Fellowship will leave the church at 3 o'clock on Sunday afternoon. They will engage in afternoon recreation followed by a picnic supper. Each person will bring their own supper. In the early evening the young people will hold a special worship service in the Lake Geneva Methodist Church. The service, entitled, "This is My Father's World" and showing beautiful color slides with hymn singing, scripture and prayer will be led by Doris Petersen.

Following the service the young people will board the boat and cruise the lake, returning to Antioch about 10 p.m. The cruise will be for those who have been coming to Youth Fellowship.

G. Richard Tuttle
Antioch, Illinois
MORNING WORSHIP, 2 summer services 9:30 and 11 a.m. each Sunday. Sermon and special music. Nursery for small children at 11 a.m. CHURCH SCHOOL 9:30 a.m. each Sunday. Classes all ages. Summer visitors invited.
YOUTH FELLOWSHIP.
Intermediates (6th, 7th and 8th graders) Each Monday evening at 6:30 throughout the summer. Visitors invited.
Young People (High School and above.) Each Sunday at 3 p.m. Visitors welcome. (For information phone Antioch, 772, 306-W, 155-J-1.
BOARD MEETINGS:
Official Bd. 7:30 p.m. 3rd Thurs.
Ch. Sch. Bd. 7:30 p.m. 1st Thurs.

Home Bureau Meets

Antioch unit of Home Bureau entertained the Channel Lake Chicks 4-H club at a picnic at the home of Mrs. C. E. Hennings on Wednesday of this week.
Mrs. Royer and Mrs. Burnett Smith, 4-H leaders, presented the girls who modeled the clothing they had made this summer.
The September meeting will be a "Sweet Corn Feast" at the home of Mrs. Curtis Wells.

CELEBRATES EIGHTY-FIRST BIRTHDAY ANNIVERSARY

Mrs. L. B. Grice celebrated her eighty-first birthday anniversary at her home on Lake Street, Sunday, with a family dinner. Many friends called during the afternoon and evening. Mrs. Grice received many lovely flowers and gifts.

ANTIOCH ACORNS 4-H GIRLS HOLD MEETING

The Antioch Acorns 4-H club held a regular meeting at the home of its leader, Mrs. Jess Sobey, Tuesday, July 24. Mrs. Sobey announced that the Achievement Program would be held August 23, at the Scout Home. In planning the program the girls decided to have Misses Judy Sobey and Dona Giles give a talk on their trip to 4-H camp. Ariene Cribb will talk on "What Our Club did this year." A committee of four was appointed to make arrangements and take care of the booth the club will sponsor at the County Fair at Wauconda. The club will also take part in the style show at the Fair. The meeting closed with Misses Hilda Von Holwege and Bertha Drury serving refreshments.

YOUTH ORGANIST WILL PLAY AT SUNDAY SERVICE

At the 9:30 service on Sunday morning at the Methodist Church in Antioch David Thomason will play the organ. David is a talented young musician from Hinsdale. He will be a senior in High School next year and at that time will become church organist at the West-end Springs Congregational Church. He is one of the summer visitors in this area. It is expected that a week from Sunday he will be joined by Robert Smith another talented musician in special duet numbers. At the service Sunday morning David will play Bach's Prelude in C and Bach's Choral.

The two services in the local church during the summer months have been well received. At the 11 o'clock service Mrs. William Dow the church organist will play and there will be special music. A Nursery for small children is maintained at the 11 o'clock hour enabling parents to attend the service. Church School for all ages meets each Sunday at 9:30. Visitors are cordially invited.

MRS. CHRISTENSEN GUEST OF HONOR AT SHOWER PARTY

Mrs. Gertrude Dunning and Mrs. Lillian Mitchell entertained at a miscellaneous stork shower in honor of Mrs. John Christensen, at the Dunning home Wednesday evening. Twenty guests were present. Decorations were carried out in pink and blue. Mrs. Christensen received many lovely gifts.

MRS. TRIEGER HOSTESS TO PAST MATRONS CLUB

Mrs. Arthur Trieger was hostess to the members of the Eastern Star Past Matrons club at her home on Grass Lake Road, Thursday evening. Bridge was played during the evening and a luncheon served by the hostess.

METHODIST WESLEY CIRCLE TO HOLD BAKE SALE, SAT.

Members of the Methodist Wesley circles will hold a home bake sale at the Ford Garage show room, Saturday, July 28, sale to begin about 9 o'clock a.m. Mrs. Roy Kufalk, chairman has announced.

Mr. and Mrs. Irving Elms, returned home Friday after spending two weeks vacationing in Dell, Montana, the guests of Mr. and Mrs. Harold Petersen. They also spent several days at Yellow Stone Park and the Black Hills.

George Grunow, Jr. of Fort Leonard Wood, Missouri, spent the week end with his parents, Mr. and Mrs. George Grunow at Channel Lake.

Mrs. Fred Hintz and grand son of Forrest Park are spending this week visiting at the home of Mr. and Mrs. George Grunow, at Channel Lake.

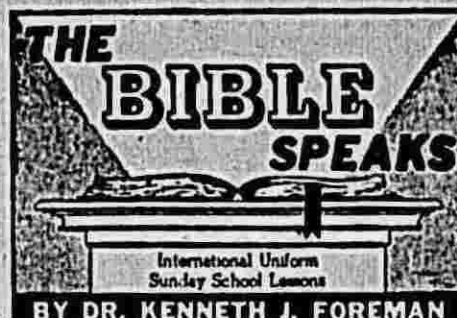

En. P. M. Burke Attending U. S. N. Weather Flight Sch.

Ensign Philip M. Burke, U. S. Navy, son of Mrs. Nina Fox of Bristol, Wis., has reported to the U. S. Naval School, All Weather Flight at N A S, Corpus Christi, Texas, for duty involving training in the latest procedures in all-weather instrument flying.

The Navy's All Weather Flight School is designed for advanced training of Navy, Marine and Coast Guard pilots in instrument flight. The course includes instruction and practice on such things as Radio Range orientation and approaches, Direction Finding, Instrument Landing Systems, radar Ground Approaches, and the latest in aids to air navigation, the Omni-directional Range.

During the period of instruction the student receives much ground school work to prepare him for his actual in-flight practice. Also, he learns much about the art of passing this instrument knowledge on to other aviators.

Those pilots completing the course are truly qualified all-weather aviators. They are more fully prepared to carry out their assigned missions, whether those missions are supplying much needed material by transport aircraft, or flying through the thickest weather to engage in actual combat.

SCRIPTURE: Luke 7:32; Romans 12:1, 2; 1 Corinthians 6:1; John 2:15-17.

DEVOTIONAL READING: Psalm 1.

Think of Brother

Lesson for July 29, 1951

THE Christians in the city of Corinth were bothered about a number of things. One of them never bothers anybody any more, and yet, strange as it seems, it throws a light on some of the hottest problems a Christian meets.

The Corinthian problem was beefsteak. We have a problem with that too, — that is, how are we going to pay for it? That wasn't the Corinthian problem.

This was away back in Roman times. Every city had its temple where sacrifices were made to the gods. Sacrifices were of all kinds, from flowers to cattle. It was considered rather wasteful, after killing a big bull, to throw the carcass away; so after the ceremonies at the temple, the rose-garlands would be taken off the beast's neck, and the animal would be hauled away to some butcher's shop, where it would be cut up into roasts, steaks and what not, and sold over the counter just like any other meat.

Now some of the Christians began to worry over their meat supply. Suppose I buy a steak in the market (one would ask) and suppose that steak came from a bull or a cow that has been killed as a sacrifice to one of these heathen gods? Won't that make me guilty of idolatry?

Your Conscience

SO they wrote to the best man they knew, their old evangelist and pastor, the man who had converted them to Christ and organized their church, the Apostle Paul. They asked him about this and other things; and what we call "I Corinthians" is his answer.

You might think this beefsteak problem trivial, but Paul never handled a trivial problem in a trivial way. He approached the problem in this way: Meat is only meat, he said; it certainly wasn't the bull's fault that he was part of a heathen ceremony. As for the butcher, he paid good money for the animal, in a perfectly respectable business transaction. Then where was the sin in eating such meat?

But wait a minute. Suppose you are dining out, and you happen to know where the meat came from, and everybody at the table knows, and somebody at the table isn't very clear-headed, and when he sees you eating the meat, thinks you must be approving of heathen sacrifices; then what?

Or perhaps, some one else is less enlightened than you; eating such meat seems quite wrong to him, but when he sees you eating it, he may (just to be polite) follow suit, and yet his conscience, not being an educated conscience like yours, will hurt him all the same. So what you do quite freely and rightly, causes another man to go against his conscience.

Think of Your Brother!

NOW, then, Paul says: "If what I eat makes my brother fall, I will never eat meat again, rather than make my brother fall." (American translation.) There you have the Christian principle.

The important question is not, "Is it any harm?" but, "What effect is this going to have on other people?"

We have seen that the basic Christian principle in all human relationships is the importance of personality. If an act, even a harmless and blameless act, hurts persons—makes them sin, makes them go against their own conscience, then the Christian's rule is at once: Don't.

The rightness or wrongness of a thing is not all in the thing itself; it comes from its effects on persons. Now apply this to some of our own problems of social living. Is drinking alcoholic liquor a sin? Is the use of tobacco sinful? Is dancing wrong? (—to name a few.)

Let us suppose, for the sake of the argument, that you are not harmed by such things yourself. It is a fact, however, that some people are harmed by them. Now suppose your act, which is quite harmless to you and done with a clear conscience, influences another and perhaps weaker person to indulge in something harmful to him? Then a Christian will say, as Paul said: If this thing makes my brother fall, I will never do it again. Which, after all, is more important to me, my own freedom or my brother's character?

Organic Matter Vital To Soil Building Plan Legumes and Grasses Are Recommended for Plan

Feed the soil so it can feed the growing crops, if you want to get high yields per acre, advises Dr. J. B. Peterson, Purdue University agronomist.

Dr. Peterson says the best way to tell what your soil needs is to study the land, its management history, its past cropping program and then have the soil tested. The soil tests will tell what fertilizer is

needed and how much is required to keep the soil well stocked with a well-balanced nutrient supply.

But Dr. Peterson points out that till and soil structure must be good if the plant food is to do its crop nourishing job. Crops can starve in the midst of plenty and fertilizer can be wasted if the soil's structure is poor.

Poor soil structure shuts off drainage and ventilation. It keeps air and water out. Crop roots can't penetrate the tightly-compacted soil to reach needed nutrients.

Dr. Peterson says the best way to correct soil compaction and repair damaged structure is to add organic matter. This can be done by including well-fertilized legumes and grasses regularly in the rotation and by returning manure and crop residues to the soil. Legumes and grasses do a two-way soil building job. The deep-probing taproots of alfalfa and sweet clover do their soil-mellowing work in the heavy subsoils. Fibrous-rooted grasses such as bromes or timothy open up tough surface soils and make them granular and porous.

Good Pasture Cuts Milk, Beef Production Costs

Since the time when man first began cultivation of the earth, growing grass for pasture and hay has been one of his major projects. Only in recent years, however, have farmers learned the importance of pasture as a way of cutting milk and beef production costs. It is becoming one of the farmers main money crops.

According to department of agriculture reports, about two-thirds of the nation's land is now in grass. And some farm experts believe a 25 per cent increase in the acreage is justified for a more efficient type of agriculture even though greater crop production has been demanded of the nation's farms.

With the nation demanding a greater production of beef, the farmer who has a good grass program will make more profit per acre in the coming year than was anticipated in 1950.

Soil Testing

An accurate and inexpensive soil testing kit, which may be obtained from local garden supply or hardware stores is now on the market. The kit contains all the solutions needed to make tests for nitrogen, phosphorus and potash. The kits come with complete easy-to-understand instructions and may prove of great value to home gardeners.

Spring Is Time to Check All First-Aid Supplies

"Be ready with gauze and first-aid remedies, Mother, lest you're caught napping in an emergency," is the advice of Miss Marguerite Briggs, family life specialist, at the University of Illinois.

Miss Briggs suggests that now is the time to check first-aid supplies, replace antiseptics and salves that have lost their strength and replenish tape and bandages to take care of the summer accidents.

Exercise Needed To Make Daddy Fit as Fiddle

IOWA CITY, Iowa—Say, Dad—want to feel 20 years younger? You can do it, if you're willing to spend a few minutes a day at the right kind of exercise.

This is the opinion of C. H. McCloy, research professor of physical education at the State University of Iowa, who says that a person of 60 can feel 20 years younger if he'll exercise for 20 minutes a day and take a 15-minute walk.

You'd agree that he knows what he's talking about if you could watch McCloy—an active youth of 65-plus, himself—do the 25 chin-ups which he can do with ease. The average performance of all World War II servicemen was only eight chin-ups.

McCloy devotes an hour each day to strenuous exercise, and plans to continue this routine until advised by his doctor to stop.

"People should be careful not to overexercise, and all persons should be checked by a physician before starting a program of exercise," he warns.

With all the benefits of modern science and medicine, there is no reason for you to lose a large amount of your strength and vitality with advancing age, McCloy maintains. A man of 60 should have at least 85 per cent as much vitality as one of 25, he says.

"Most people should be healthy until they wear out," he claims. "Some, however, are limited by bad hearts or other organs, but even these persons can be helped a little by exercise. This exercise should be prescribed by a physician who has specialized in this field of medicine."

The problem of keeping older persons in good physical condition will become a vital one in years to come, since the number of persons in our society over 65 years old is constantly increasing.

By 1980, McCloy points out, only 55 per cent of the American population will be within the wage-earning age group and about 40 to 45 per cent will be supporting the entire society. This will include the 15 per cent who will be over 65, the 30 per cent younger than the wage-earning group and others who do not work for wages.

This unbalanced situation can be partially remedied by letting people continue on the job past the presently-established retirement age. Even if allowed to work only part-time, these persons would become an important part of the labor force and would not rely on society to support them, McCloy emphasizes.

That's where the benefits of exercise come in, as a means of preparing for the years ahead. Besides helping to extend the span of useful, active life, it just makes you feel better in general to be "in shape." And 90 per cent of all older persons can keep themselves in good physical shape with proper exercise, McCloy asserts.

Exercise should be made a part of your daily routine to be most effective, in McCloy's opinion. He recommends that it be done first thing in the morning, so a person can start the day feeling "sharp."

Front Line Galleys Cooks in Korea Always Use Wits

WITH THE FIRST MARINE DIVISION IN KOREA—Seldom does necessity have more opportunity for motherhood than with cooks manning front line galleys in Korea. Take the case of Marine mess sergeant William L. Penney of Daytona Beach, Florida.

Penney decided to "whomp up a batch" of jelly-filled doughnuts for palate-weary men in his unit. Necessary ingredients were mixed and sizzling in deep fat when he had a horrible thought!

How was he to get the jelly in the jelly-filled doughnuts?

Sergeant Penney rose magnificently to the emergency. Cranking up the field telephone, he contacted sick bay.

"No, sick bay had no ear syringe. Sorry . . . and what in . . . does Cookie want with an ear syringe anyway?"

Undaunted by skepticism and sarcasm, Penney called motor transport. And two hours later every man in the company was chomping away on doughnuts, complete with jelly centers.

"Nothin' like a grease gun for filling pastry," said Penney proudly. "Don't know why I didn't think of it sooner."

French Burglar Is Upset When Wife Deserts Him

PARIS—Etienne Lemaître, a convicted burglar awaiting trial on a murder charge, thought that he had good grounds when his wife ran off with another man, and so complained to the court.

"I'm a burglar, sure," he said, "I have stolen millions. But when a burglar's wife runs off with a policeman, that's really the limit."

The understanding court fined the wife 6,000 francs (\$17.18) for adultery and awarded Lemaître one franc (about 1/4 cent) for damages.

Cuba Sugar Trade Keeps Havana Dock Busy With Activity

HAVANA, Cuba—The bulk of a nation's imports, sugar prosperity and "war scare" buying still are keeping Havana's docks congested with commodities and full of a feverish air of commerce.

Nearly a million tons of imports—84 per cent of Cuba's imports—recently presented shippers with a problem unprecedented in the 400-year history of the waterfront. Most of the imports come from the United States. "Sugar money," derived from the island's great sugar industry, has brought about sharp demands for many consumer items from America. New automobiles constitute a great part of the litter scattered around the bulging piers and the demand for driver's licenses in Cuba has increased four-fold since the end of World War II.

Harassed shipping officials manage to handle all the scheduled ships plying in and out of the harbor. Less frequent callers, however, are often delayed for days until pier accommodations can be arranged.

Exports present less of a problem than imports. Principal export is, of course, sugar, of which Havana handles only about 35 per cent of the nation's total shipment. The majority is picked up at the smaller ports, or from the plantations. Imports are the main fly in the mud-died ointment. Although attempts to develop adequate ports elsewhere have been made, the majority of imports are assigned to the capital city, so ships must still call there.

Officials say that the port is one of the most expensive in the world. The nearly 10,000 port employees earn an estimated \$100 per week, considerably higher than salaries paid elsewhere in the country. This fact, coupled with the regulation that importers have a ten-day limit in which to remove their imports from the docks—which calls for plenty of longshoremen to handle full piers—makes the prosperity appear lasting.

Air Force May Discard Planes—Staplers, Now

MITCHEL AIR FORCE BASE—Under modern conditions, it doesn't take too long for an airplane to become obsolete. Models are discarded after better ones come along to replace them. On the matter of staplers, however, quartermasters are more saving. Lieut. Col. J. E. Aertgeerts found this true recently when he requested staplers for the clerical offices here. When the crate arrived, it was marked "fifty stapling machines." When he opened the box, however, the colonel found the staplers three times the standard size, made of heavy cast iron, and operated by a long handle. They had been in storage since 1917.

Now, Potent Penicillin Held Useful to Military

NEW YORK—Penicillin—modern medicine's chief weapon against disease and health—is available in new and more potent forms today for use on the battle front and the home front.

Dr. Charles E. Dutches, medical director of Schenley Laboratories, reports that since 1944 "continuous improvement in the technique of deep-vat production of penicillin" has enabled ten prime producers of the drug in the U.S. pharmaceutical industry to boost monthly output to a record 17,000,000,000 (trillion) units.

During the month of January, 1943 only 100,000,000 (million) units of penicillin were produced—enough to treat about 150 patients. Full commercial production began in 1944 and in the last months of World War II there was sufficient penicillin for essential military needs, Dutches said.

Despite the emphasis given such new antimicrobial agents as streptomycin and aureomycin, Dutches emphasized that "penicillin remains the foremost many-purpose microbe killer—particularly valuable against septic infections stemming from battle injuries." In this connection, he revealed that emergency air shipments of penicillin reached the Korean battle less than four days after leaving pharmaceutical plants in this country.

Slave Heckle Soviet Radio From Old German Army Truck

MUNICH, Germany—Three sharp-tongued Slavs, operating from an old German army truck, are heckling Soviet broadcasters to the point of madness. The trio specializes in needling Communism from their mobile transmitter in west Germany over Radio Free Russia facilities.

The hecklers are artists at making use of the pause in a program and delight in cutting in on Radio Volga, a Communist station in east Berlin which beams programs to Soviet occupation troops.

A Radio Volga announcer may have just finished the phrase, "A new people's democracy is being built in east Germany," when Radio Free Russia hecklers break in with, "under the watchful eyes of the Kremlin's secret police."

Radio Free Russia has been operating only four months. London monitors first picked up its broadcasts calling for a peoples' revolt in Russia.

Library Notes

An observant and understanding French priest, Roger Bullard, realized a childhood dream when he was sent as a missionary to the Eskimos of Northwest Canada. "Inuk," the native word for a man, is the story of 12 years spent in the frozen wastes with the primitive Eskimo. It was not unusual for Father Bullard to travel 500 miles to make a call. His parishioners actually lived in igloos and their psychology was his never ending study. Their foods in this ice covered wasteland would be the despair of our dieticians since it was almost exclusively meat. "Inuk" was presented to the Antioch Township Library in memory of William C. Hallway.

"Mr. Lincoln's Army" is Bruce Catton's story of the president's famous Army of the Potomac during the early years of the Civil War when it was commanded by General B. McClellan. Mr. Catton believes that McClellan's failure was due to his lack of understanding of the large issues of the war and to a too-great caution born of his desire to keep his troops alive. Although this is essentially the story of the common soldier, the book describes McClellan's rise as the man of destiny and his tragic descent when he was replaced by General Burnside. "Mr. Lincoln's Army" was given to the library in memory of Herman A. Radtke.

Ernest Sampson and Calvert Hardin spent the weekend in Evansville, Indiana.

(Continued from page 1)

error being committed in the outfield during the game. The locals took a big lead early in the game when three runs were scored in the third inning. A single run was scored in the seventh, and two more in the eighth.

Next week the locals will play their first game of the season under lights, when they journey to Kenosha's Simmons Park for a night game with the Wavid Red Sox. The game is scheduled to start at 8:00 p.m., C. D. T.

A double header played Sunday, July 22, resulted in a win for the Sox over the Cubs, and the nightcap, which went to eleven innings was called off by mutual consent of the umpires, players and coaches. The first game developed into a pitcher's duel with Huml and Edmundson doing fine jobs on the mound. Huml held the Sox to no runs while Edmundson allowed three hits while Edmundson allowed one lone scratch hit. The Cubs, loss behind such fine hitting is attributed to the bunching of a walk and an error.

The second game was terrific baseball all the way, with much ex-

citement and alternate hope and despair. The hits allowed were a very creditable four and five, and although errors in the field were high, the score still stood at four and four after eleven innings of play.

Officials of the little league have been warm in their praise of the umpires who have given their time so freely to officiate at the games. They have kept smiling and their love of the game and the fine work they are doing through a lot of booing and criticism cause observers to sal that they really deserve much credit.

Members of the Little League will be taken to Chicago next Tuesday, July 31, to see the Cubs play. All players who wish to make the trip must be at the Antioch Grade school by 9:30 a. m. when the bus will leave. Players will bring their own lunch and will be in uniform. Arrangements have been made for some of the boys to appear on television and radio over Stations WIND and WBKB (Channel 4) at 1 p. m.

Geo. Dusette To Meet Rudy Kay at Rd. Lake

George Dusette, powerful Boston "Strong Boy" and Rudy Kay, of Chicago are paired in the sixty minute main event of Fred Kohler's mat show next Friday night in the Lake County Stadium in Round Lake Park, Illinois. The match is to a sixty minute time limit with a two out of three fall verdict.

Dusette, who is making his first mid-west campaign in several years, recently came here from the north-west where he grappled around Portland, Seattle and other north-west spots.

Dusette uses a full nelson to down his foes, explaining that because of his short arms and sturdy ones he can use the grip to better advantage than any other hold. His success has been consistent.

George realizes that he will run into a peek of trouble in trying to clamp the hold on Kay. The latter

has sturdy shoulders and is built just as solidly as his rival. Furthermore Kay has the experience to watch for the full nelson.

"Whenever an opponent uses a specialized hold on me," declared Kay, "I consider it my meat. I like these one hold guys. You can always watch for it. Fighters who are right hand crazy seldom land their punch with effect because all an opponent has to do is to watch for the right hand. It's the fellow who mixes 'em up who is dangerous."

Kay naturally has his own ideas at upsetting his rival. No opponent, according to Rudy can withstand the terrific body slamming he uses and his body slams crack up a foe and weaken him fast.

The Round Lake card arranged by Kohler is an unusually good one. In the Australian Tag team match Kohler has Al Szasz and Leon Kirilenko facing clever Bob Clay and Ned Taylor. The team of Szasz and the Mad Russian is an experienced

and rugged duo. They will cope very successfully with their rivals. Clay, a youngster just coming up from Oklahoma will have the experienced and shrewd Ned Taylor to guide him in every move.

Bob Geigel, of Iowa and Zack Malkov, of Chicago are paired in the opening stanza. Tickets are available at the Ring Sally Ringside Inn and reservations on the day of the show can be made by calling Round Lake 6-4485. Wrestling is featured every Friday in the Lake County arena.

Thermal Expansion Alloys
Alloys containing 42% nickel and having the same thermal expansion as glass serve for lead-in wires, in sealed beam headlights, television tubes and similar applications.

Grain Used as Weight
Grain, the unit of weight, is supposed to be the average weight of a seed or grain of well-ripened wheat.

Memorial Day

In 1888, General John A. Logan ordered that May 30 be set aside each year to decorate the soldiers' graves with flowers. Logan was commander-in-chief of the Grand Army of the Republic.

Voltaire's Idea

Many Americans, pushing their frontiers westward throughout the 19th century, seemed to agree with Voltaire's observation that "Ideas are like beards—children and women never have them."

Gleep, Beep and Zeep

Great Britain's first two atomic piles were nicknamed "Gleep" and "Beep." Canada's first nuclear reactor was called "Zeep." France has a laboratory atomic pile designated "Zoe."

WAUKEGAN

SALEM

Mr. and Mrs. Alfred Schmidt and family have returned from a trip to Yellow Stone Park, The Black Hills and other places of interest in the west.

Mrs. Janet Fletcher and Mrs. Charlotta Bloss have returned from a two weeks vacation trip. Mrs. Fletcher visited her relatives in Ohio while Mrs. Bloss went to New York to visit relatives.

Mr. and Mrs. Stanley Stoxen, Laurel and Joy Kasting of Bassett were supper guests of Mr. and Mrs. Byron Patrick. Mr. and Mrs. Milton Patrick also spent the evening at the Patrick home.

Mrs. Elmer Flemming and children of Burlington spent Thursday

with their mother, Mrs. David Elfers.

The Royal Neighbors drove to Hebron on Thursday and had their meetings at the home of Lulu Port. Each member took food which they arranged together for a picnic. Those present were—Mrs. Sara Fenema, Mrs. Minor Hartnell, Mrs. Olive Olsen, Mrs. Hazel Stockwell, Mrs. Lyle Woodbury, Mrs. Emily Manning, Mrs. Andrew Nelsen, Miss Annie Semeler, Mrs. John Evans, Mrs. Ed. Evans, Mrs. Laura Miller, Mrs. Annie Minnis, Mrs. Florence Gallert, Mrs. Roger Huntton, Mrs. Byron Patrick, Mrs. H. Schultz, Mrs. George Blemlers, Mrs. Arthur Feldcamp and the hostess, Miss Lulu Port.

Master Michael Patrick of Kenosha spent Wednesday with his

grandparents Mr. and Mrs. Wm. Griffin.

Mr. and Mrs. Norman Barthel of Phillips, Wis. are visiting relatives here at Salem.

Rev. and Mrs. Ernest Kistler spent Sunday night at the Byron Patrick home. The Kistlers are enroute to New York where they will board the S. S. America for a several months trip to Europe.

The Residents of FELTER'S SUBDIVISION

Wish to thank all of those Merchants whose generous donations helped to make our 1951 Annual Picnic such an overwhelming success.

We trust that our continued patronage will prove how sincerely we appreciate your help.

Hey...it's FAIR TIME Again!

LAKE COUNTY FAIR

Wauconda

August 2, 3, 4 and 5

County Fair. Mixture of the old and the new. A festival which varies from generation to generation, yet remains essentially the same. Market place, town meeting, carnival, and farmer's school. Panorama of grandstand and racetrack, the Midway, crowds, exhibition halls and barns. Streets

of booths and flapping tents. County Fair. Crux of the year's farm and fireside effort. Magnificent animals. Colossal fruits and vegetables. Mouth-watering jellies and preserves. Intricate needlework. Time of expectancy and relaxation for farmers and nostalgic city folks. County Fair.

Meet You at the Fair... at the Public Service Exhibit—
"Electricity at work on the Farm"

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

HICKORY

Sunday afternoon visitors at Wm. Richards home were Mr. and Mrs. Kenneth Lumley and children from Kenosha also Mr. and Mrs. Vito Schaefer and children, Kenosha and Mr. and Mrs. Anthony Eible and sons, Bristol.

Howard Wells of Joliet visited the Curtis Wells family Sunday afternoon.

Spencer Wells of Wilmet visited the Gordon Wells family on Sunday.

Mr. and Mrs. Lloyd Miller are enjoying a vacation in Wisconsin.

Mr. and Mrs. Roy Kelso and two children from Calumet City visited Saturday night and Sunday with Mr. and Mrs. E. Van Patten and children.

Mr. and Mrs. Ward Edwards and sons from Rockford spent Sunday at Bert Edwards home.

Mr. and Mrs. Rudolph Novy and two sons are visiting relatives in Ogema, Wis. Mrs. Joe Novy and children from Evanston are staying at the Novy home.

Mr. and Mrs. Arthur Shearer from Oak Park and her sister Mrs. Edith Bradley from Dearborn, Michigan visited Mr. and Mrs. E. Van Patten on Wednesday. They also called on other relatives.

Mrs. Edith Grant from Toronto, Canada is visiting at the home of her brother-in-law and sister Mr. and Mrs. Wm. Strahan. Mr. and Mrs. Donald Crawford and children of Waukegan just returned from a visit with their grandmother, Mrs. Harlan in Sask, Canada and Mrs. Grant accompanied them home.

Richard Wells drove to Sparta, Wis. on Monday. Warren Wells spent Saturday at the Wisconsin Dells.

Callers and visitors at the Wm. Richards farm Monday, July 23rd were, Mrs. John Rauch and son from Wilmet, Mr. and Mrs. Raymond Kessler and son, Waukegan, Mr. and Mrs. Carl Kalapa and daughter, Mrs. Anderson and children and Mrs. Billy Hackman, all from Chicago.

Need Special Finish
Because the power tubes in television sets cause wide changes in the temperature of wood, cabinet manufacturers were faced with special problems. Ordinary cabinet finishes checked and cracked. Special finishes checked and cracked. Special finishes checked and cracked. They are extremely tough and flexible have been developed. They are now used on both light and dark woods and are also employed on any furniture where the highest durability and quality of finish is desired.

Accident Causes
The three principal causes of accidents are said to be speed, liquor, and faulty vision on the part of drivers.

Heat-Resistant
Airplane manufacturers use high nickel alloys for parts which must resist the firing blast of white-hot exhaust gases.

Lobster Conservation
In terms of marine conservation and the spiny lobster fisheries, the discovery that young lobsters can travel great distances if borne by a current is important. If an area should be depleted of the lobsters for any reason, it will probably be restocked naturally by young drifting in from far-away breeding grounds. If an area should be fished out, however, it might result in the loss of a new generation in another area hundreds of miles away.

Leningrad Labs
It may be some significance that a decade ago, laboratories in Leningrad and Moscow were building the most powerful cyclotrons in Europe.

Organizes the Grange
The National Grange or the Order of Patrons of Husbandry was organized by Oliver Hudson Kelley in 1867.

Smart girl... smart banking

WHEN a merchant claimed she hadn't paid her bill, she simply showed him the canceled check—proving she had paid the bill. She's

an efficient family treasurer—a quality husbands always admire. Use a checking account yourself, and find out how safe it is.

Dedicate Nurses' Home in Memory of Lt. Anton Cermak Graham

A special ceremony and a tea were held Sunday, July 15, which marked the official opening of the \$500,000 Nurses' residence of McNeel Memorial hospital at Berwyn. The home was dedicated to the memory of Lt. Anton J. Cermak Graham. Lt. Graham was killed in action at Brest, France, Aug. 29, 1944. The Graham family donated the land on which the new residence stands.

Employers May Now Seek Deferments For Qualified Employees

New Selective Service regulations permit a registrant, or his employer if qualified, to appeal to a claim for occupational deferment to the appeal board having jurisdiction in the place where the man is employed, instead of to his "home" appeal board which formerly had sole jurisdiction in occupational cases.

Colonel Paul G. Armstrong, State Selective Service Director, said that if a man is registered with an Illinois local board but works in a defense plant in Pennsylvania, for example, he can have his case submitted to the appropriate appeal board in Pennsylvania. However, he or any person entitled to do must request this transfer of appeal in writing at the time notice of appeal is filed with his local board.

Only men seeking deferment on occupational grounds are affected by the new regulations, Colonel Armstrong said. This includes industrial workers and farmers whose activities may be considered necessary to the maintenance of the national health, safety, or interest.

Electric Farm Show Will Be Attraction At Lake County Fair

The electric farm show of the Public Service Company of Northern Illinois, which has been a major attraction at northern Illinois county fairs for the past four years, will be featured at the Lake County fair in Wauconda, August 2, 3, 4 and 5 with a completely new 1951 exhibit, it was announced today by the utility.

With "better methods" the theme, the new display, especially produced for county fairs, shows how electricity saves both dollars and labor for the farmer.

Housed in a "big top" tent, 60 x 50 feet, the exhibit features actual electrical equipment, working models and blow-up photographs demonstrating new ideas in crop drying and barn cleaning.

The exhibit will show methods of installing equipment for handling farm materials with emphasis on crop drying and barn cleaning and will show results which have been obtained.

The exhibit will be open free daily to all visitors at the fair.

Ben W. Ennis, 51 Dies of Heart Attack

Ben W. Ennis, 51, Lake Villa, died suddenly of a heart attack Thursday, July 19 at 7:55 p.m. at St. Therese hospital. He was born September 28, 1899 at Elmira, New York. He spent his childhood in Cleveland, Ohio, living 25 years in Chicago previous to coming to Lake Villa in 1947. His occupation was that of Automobile salesman. He had been employed with Amiel Feyerabend, Inc., since 1948.

Survivors include his wife Evelyn, one son David and two daughters, Mrs. Mary Lippi and Mrs. Nancy Reardon both of Chicago; one brother Oscar, Chicago and a sister Mary Turf of North Lake Village, and one grand daughter.

Funeral services were held at 2 p.m. Monday at the Strang Funeral home, with the Rev. Fr. Roberts Ehrig officiating.

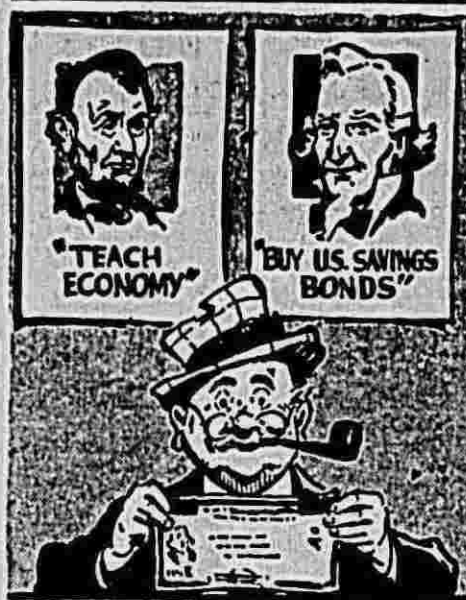

Interment was in Hillside cemetery.

Mrs. Mike Golden entertained the members of her bridge club at her home Tuesday afternoon.

Wigs Are Not New

Wigs and other types of false hair were worn by the ancients.

Uncle Sam Says

In February we observe the birthday of our 16th President, Abraham Lincoln. One of the many virtues he possessed was the habit of thrift. In fact, he advocated this great American habit in these words: "Teach economy. That is one of the first and highest virtues. It begins with saving money." Your government has provided one of the best methods ever devised for saving. It is simple in operation—enroll NOW for the purchase of Savings Bonds where you work, or if self-employed, the Bond-A-Month Plan at your bank.

New "Angles" for Angler
An all metal landing net has recently been made available to fishermen. This unique net may be obtained in two sizes, for boat and stream fishing. The net, or filler, is made of a single strand of Monel wire knitted into cylindrical form with hinge-type stitches which makes it easy to disengage hooks that may become caught in the mesh. The frame and hollow handle are made of duralumin.

Paint Can Hint

If you are like most folks who do a little painting around the house periodically, you have a great array of partly empty paint cans. Here's a way to avoid opening each can to check the amount of paint left and its precise color. At the end of each paint job, paint a line on the outside of the can at the level of the leftover paint inside.

Photograph The Stars

Present-day astronomers don't study the stars by looking through their telescopes. Instead, they use the powerful and intricate telescopes of modern invention to take time-exposure photographs. Thus they obtain records of celestial bodies too faint for the human eye to detect.

Largest Dam

The world's largest earthfill dam is on the Missouri River in northeastern Montana. Called the Fort Peck Dam, it contains 125 1/2 million cubic yards of earth, four million cubic yards of gravel, and a million cubic yards of rock. When full, its artificial lake will be 189 miles long and have a shoreline of 1,600 miles.

This Tinny Age

Newspapers, magazines and books are printed with type metal, another in the tin alloy legion. Babbitt metal makes possible soft replaceable engine bearings. Solder is the tie that binds. As bell metal, tin rings from the world's church towers. Gun metal contains tin; so does the bronze of statues in the park.

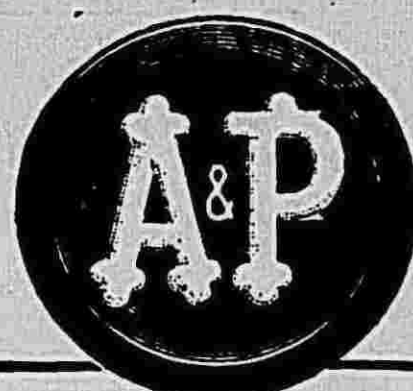

Figurines

The hobby of making clay figurines is growing. One accomplished amateur, in this art anyone can do, finishes the clay figurines with a fresh white shellac which gives them an attractive gloss.

Cancer Findings

The discovery of a new series of chemicals which retard the growth of cancer in animals has been reported by biochemists in the University of California School of Medicine.
